

2009 Sponsorship Opportunities

Dear Friend of PTA:

On behalf of the New York State PTA Board of Managers, I would like to thank you for your past and/or future support of parents, schools, students and our organization through your sponsorship. Over 343,000 parents, teachers and friends of PTA support our mission through membership at the local level. A strong partnership between parents, school, and community contributes to academic success and allows our voice to be effective in securing adequate laws for the education, health and welfare of children.

The theme for my administration is *"The Power to Shape the Future"*, a way of expressing that through collaboration and exploring all possibilities necessary for success, PTA can be a powerful voice in shaping a positive future for all children and youth. Support from the community serves to reinforce those goals and our vision. This flier explains our sponsorship program and outlines many ways to demonstrate that support, as well as the ability to create your own individualized package. You can also participate by being a member benefit provider.

There are opportunities to participate throughout the year which will allow you to maximize financial support of the NYS PTA, as well as gain recognition as a sponsor at some of our main events, which hundreds of our members attend. Your sponsorship, support and collaboration with NYS PTA make a real difference to our efforts on behalf of all our children.

I look forward to your participation in this program and feel sure it will be mutually beneficial for both PTA and your business as our members learn more about you. For more information, you may check our website at www.nyspta.org under "Publications" to review our current Annual Report.

On behalf of the children we serve, I would like to thank you in advance for your generous support.
